

Our Fee Structure

Slattery Auctions differentiates itself from its bulk handling competitors through a more competitive fee structure that does not incorporate the extra charges of our competitors.

Slattery's fee structure is composed of:

- 1. Commission:** We operate on a commission basis which makes it a commercial imperative to maximise the returns for our clients and ensure they receive value for money when disposing of their assets with Slattery Auctions.
- 2. Buyers Premium:** Where our competitors use the Buyer's Premium as an additional revenue stream, Slattery Auctions prefers to use these funds to cover the costs associated with running a successful auction.
- 3. Transport:** For many of our loyal clients, Slattery Auctions subsidises the cost of transport of their assets. We seek to cover these transport costs out of the buyer's premium charged at auction.
- 4. Unique marketing:** Where we are given a unique or specialised item that requires a more tailored marketing campaign, Slattery Auctions uses a mutually agreeable marketing fund to create an innovative advertising campaign that draws in a wider range of buyers and heightens the returns for our clients. Past campaigns have included, amongst other things, short films, radio and television advertising.
