

BRUCE TEICHERT

DIRECTOR, BANKING INSOLVENCY AND FINANCE

Bruce joined the Slattery Asset Advisory team after 10 years of senior management experience in the plant and equipment valuation and auction industry in both Victoria and NSW. Bruce was at the forefront of the next generation of industry leaders in the auction industry and has been instrumental in overseeing significant business and relationship growth during his time.

Prior to entering the Asset Advisory arena Bruce came from a banking and finance background having spent 7 years at ANZ and NAB gaining invaluable experience in retail, business and corporate banking covering relationship management, sales, risk and restructuring roles. This background gives Bruce a balanced and unique insight into key stakeholder requirements and the sensitivities involved in all types of asset management projects.

In addition to business development, relationship management, formulating asset disposal strategies and project management, Bruce is involved in the ongoing expansion of the Slattery Asset Advisory division through his large and loyal client base. Bruce is passionate about achieving the best outcome for all stakeholders and the ongoing success of the Slattery team.

Bruce holds the following licenses and qualifications:

- › Bachelor of Agricultural Economics
- › Member of ARITA
