

WHY SLATTERY

eevee auctions

We are thrilled to announce the launch of eevee auctions, Australia's first dedicated electric vehicle auction site! Our bold aspiration is to repurpose the country's fleet EVs into affordable family EVs, making sustainable transportation accessible to all. Powered by Slattery Auctions, a leading provider of premium asset advisory and remarketing services, eevee auctions is set to become the new home for repurposed EVs in Australia.

At eevee auctions, we understand the importance of creating a seamless EV purchasing experience. We are not just an auction site; we are an information resource for repurposed EVs and their future owners. Our dedicated platform ensures that EV assets are remarketed to a targeted audience of discerning EV buyers, providing a focused marketplace where unique EVs won't get lost in a sea of unrelated listings.

We want to make the EV purchase journey as low-risk as possible for our customers. That's why we invite potential buyers to visit our eevee auction rooms from Monday to Friday, offering them the opportunity to inspect their potential vehicles firsthand. This unique offering sets us apart as the only auction house dedicated to EVs, providing a tailored experience for both sellers and buyers.

Join us in making Australian roads more sustainable and contributing to our net-zero target. eevee auctions is committed to creating a future where EVs are affordable and accessible to all. We're ready to redefine the EV marketplace and prepare for a greener tomorrow.
