Slattery Asset Advisory and Slattery Auctions and Valuations are experts in valuing and disposing of automotive assets from standard sedans and commercial vehicles through to prestige and specialised automotive assets. The Slattery's team values and disposes of hundreds of vehicles each week in its fortnightly car auctions held 3 times a week over all of its premises across the east coast of Australia.

Through regular engagement with buyers and dealers, Slattery Asset Advisory is able to ensure it provides accurate valuations that reflect market sentiment towards a particular make and model of vehicle. Providing accurate valuations on vehicles assists our clients with managing expectations of their stakeholders and mitigates potential risks of litigation.

Slattery Auctions holds weekly car auctions across its sites located across the east coast of Australia. Slattery Auctions fully details the vehicles being offered for sale in its marketing campaign and directly contacts regular vehicle buyers to ensure our clients get the best returns for their assets.

The sale of automotive assets is made easier for our clients with Slattery Auctions' vendor interface system which allows our clients to, among other things, efficiently and easily request transport collections, sight their vehicles, retrieve vehicle valuations, set reserve prices, retrieve sale details as well as remittance advice.

Slattery Auctions have been engaged to manage the disposal of repossessed fleet including, among many others, weekly auctions across each site disposing of stock for major banks, financiers, private and public corporations, as well as governments. We sell in excess of 2000 motor vehicle assets annually across all our sites.
