

Valuations & Asset Management Overview

Valuations are a significant part of our business and have been undertaken throughout Australia and the South Pacific. Valuations are undertaken for pre-finance by banks and finance companies, stock takes for accountants, and opinions on what goods will receive at auction for receiver/managers, liquidators and other formal appointments.

Slattery Asset Advisory will quote on all requests for valuations and support their valuations by researched data. Our many contacts within most industries help us establish a current day market price.

Slattery Asset Advisory use discretion for takeovers and delicate situations, has a broad spectrum of knowledge of specialty items and industries and can present boardroom presentations on the necessity of robust valuations.

Slattery Auctions Australia provide a comprehensive service from initial valuation through to disposal by auction if necessary which can be conducted in our auction rooms or an on-site auction. These services include supervision by suitably authorised persons and licensed security where required.
