

# Transportation Solutions

Slattery Asset Advisory and Slattery Auctions has a national presence with the capacity to manage any and all asset disposals from any location in Australia. Slattery Auctions services our clients throughout the country through our operations in Sydney, Melbourne, Brisbane, Perth, Roma, Newcastle and our newly launched Adelaide site.

Through our transport partners Slattery Auctions has the capacity to pick up from any location and transport any assets to our various sites in an efficient and cost effective way. Our efficient transport network means that we are able to transport at reduced prices. Our proposal represents better value for our customers and stakeholders. Please see the fee structure to assess the subsidised transport cost rates.
