

REPORTING

Slattery undertakes all its sales processes as if it were to comply with section 420A of the Corporations Act itself. This will help ensure our clients are protected from any potential litigation.

Our final auction reports outline the sales process and the steps taken to achieve not less than market value for the assets sold. The report details each step of the advertising and marketing campaign and provides evidence to support the final auction result.

A number of Slattery' clients have relied on our final auction report to successfully protect themselves and their client from litigation and its associated costs.
