Slattery Asset Advisory Proposal

Our Fee Structure

Slattery Auctions differentiates itself from its bulk handling competitors through a more competitive fee structure that does not incorporate the extra charges of our competitors.

Slattery's fee structure is composed of:

1. Commission: We operate on a commission basis which makes it a commercial

imperative to maximise the returns for our clients and ensure they receive value for money when disposing of their assets with Slattery

Auctions.

2. Buyers Premium: Where our competitors use the Buyer's Premium as an additional

revenue stream, Slattery Auctions prefers to use these funds to cover

the costs associated with running a successful auction.

3. Transport: For many of our loyal clients, Slattery Auctions subsidies the cost

of transport of their assets. We seek to cover these transport costs out

of the buyer's premium charged at auction.

4. Unique marketing: Where we are given a unique or specialised item that requires

a more tailored marketing campaign, Slattery Auctions uses a

mutually agreeable marketing fund to create an innovative advertising

campaign that draws in a wider range of buyers and heightens the returns for our clients. Past campaigns have included, amongst other

things, short films, radio and television advertising.
